Risk-Based Reporting Dashboards

Why Transparency-One?

The Transparency-One solution offers two unique services for more efficient risk-based supplier scorecarding:

- **Multi-tier approach** via a B-to-B social network platform. Collect data from suppliers, one tier at a time, down to the source.
- **Partnership with SGS** for global supplier onboarding support and data verification. Complete supplier participation ensures thorough and accurate analyses.

Gather detailed supplier data more quickly for greater control and insight into your supply chains.
